

The Abu Dhabi Business Directory 2011 contains profiles for 40 key government organisations & state owned enterprises, 13 listed companies, 16 major private companies (plus brief notes on a number of others), and also contact information for universities. It is designed to help companies identify potential clients & customers for their goods and services â€œ to decide who to target and what product or service to offer, to consider how a product or service would add value to customers, and to find potential business partners or distributors. The directory saves time and money in conducting market research as it brings together information from a variety of sources. It is important to carry out research and to be well prepared before making contact with organisations in Abu Dhabi. International government agencies will find it helpful to identify relevant counterparts. The directory is also a resource to organisations and academics who are studying the structure and role of organisations in the Emirate of Abu Dhabi. For those considering locating to Abu Dhabi it will help them understand more about who many of the main entities are and what they do.

Museum, Successful Education and Career Paths (SECP): How to succeed academically and professionally, An Economic History of Russia Volume Two, Ariaaisms ~ Spiritual Food for the Soul, Phonics, Level D, Teacher Resource Guide,
