

Serving in Christian ministry should be a life-building, life-giving, life-inspiring experience for leaders, spouses, and families. So why isn't that always the case? In this book, youth pastor Brian Berry pours out his thoughts on why it's so tough to build a healthy life, a healthy marriage, and a healthy family in the midst of ministry craziness. He focuses on the three best gifts you as a youth worker can bestow: The best gift you can give your marriage is a healthy self. The best gift you can give your family is a healthy marriage. The best gift you can give your community and ministry is a healthy family. Just reading this book won't transform you into a youth worker with a healthy self, marriage, and family. But reading this book will guide you, challenge you, and inspire you as you ponder the stuff that we all wrestle with as followers of Jesus, the stuff we strive for as spouses, and the stuff we yearn for as parents.
