

English like any other language is replete with problems not only for foreign learners, but also for native speakers. As a living language that is changing continuously, certain words and phrases are commonly misused even in the hands of experienced users. Consider this deviant expression "I will do my possible best to pass the test." It is rather right to say "I will do all that I can to pass the test." In Standard English we do not use "possible" to qualify "best". This dictionary sows a seed in your mind an engaging experience of Standard English proficiency as a deposit of gold worth poor man's money. If you've ever struggled with a word on the tip of your tongue, searched for a witty comeback, or lacking the ability to express yourself and consult a good sentence, then you understand just how useful this dictionary can be.

The Encyclopedia of Advanced Materials, Studyguide for Fundamentals of Geomorphology by Huggett, Richard, Explaining Long-Term Economic Change (Studies in Economic and Social History), How to Start Working as a Successful Freelancer on the Internet (Business Matters), The Divine Comedy, Enterprise Interoperability: 5th International IFIP Working Conference, IWEI 2013, Enschede, The Netherlands, March 27-28, 2013, Proceedings (Lecture Notes in Business Information Processing), Coming First, Problem Solving Pocket Guide (Set For Success Book 3), Voyager to Jupiter and Saturn National Aeronautics and Space Administration (NASA SP-420), Investment Formulas: A Simple Introduction (Simple Introductions),
