

Have you ever read the ingredient list on your lotion bottle? It's chalk full of dozens of ingredients, many of which you probably can't even pronounce, let alone know if they're safe to use on your skin. Your skin is your body's largest organ, which means it's absorbing everything it comes in contact with, including that questionable ingredient list. You deserve to know what ingredients are in your lotion. Cut the chemicals from your lotion, and start making your own with organic and natural ingredients that are wholesome and healthy for your skin. If you're looking for the solution to chemical-free skincare that will leave your body moisturized and glowing, then this is the book for you. Inside You Will Learn: • Different Methods for Crafting DIY Natural Lotions • Basic Recipes For At Home Lotion Making • The Best DIY Lotion Recipes for Healing Common Ailments • How To Create Hard Lotion Bars • The Best DIY Lotion Recipes for Your Face • What Natural Ingredients To Use • The Best DIY Lotion Recipes for Gifting • And Much More Once you learn the basics to DIY lotion making, you'll never want to buy lotion ever again. It's time to take charge of your body and treat it well with the wholesome and safe ingredients it deserves. Don't wait another minute. Learn how to craft your own natural and organic lotions in the comfort of your own home! Don't Delay. Download This Book Now.
