

Having a Lust for Life is a primer for individuals and couples who yearn for more variety in their expressions of love and romance than the same old tired movie and dinner date. Romance should not be limited to, or solely considered, a time spent seeking acceptance and love by the opposite sex. Author Charlotte Turnquist explores romance as an ephemeral attitude influencing every aspect of day-to-day life. Having a Lust for Life offers a broad range of activities aimed at enlivening and enriching the sentimental time spent alone or with loved ones. Everyone can benefit from living a fully romantic life. By recognizing and changing stagnant and unimaginative patterns of behavior, romance can be cultivated by taking the initiative and responsibility to enrich life with inventiveness, vision, creativity, and resourcefulness.
