

The many names of God used by men and women of the Bible to refer to their individual confrontations with Him or His messengers reveals God as nothing else can. In His Excellent Name my father has selected thirty names from the Bible which emphasize Gods unique attributes and character traits. The thorough analysis and application of these names to contemporary believers make this book both informative and inspirational. The thirty day devotional format chosen makes reading easy and gives daily encouragement. There is also the option of selecting and studying any name of interest by referring to the helpful Table of Contents. Through the prayerful study of the names of God included in this book, Divine involvement in every detail of your life can be discovered and experienced every day. For the treasure of Gods Word and the ministry of my father I am thankful. Charles Byron Allen, PhD
