

This guide is a summary of the citizenship laws for every country in the world. Becoming a citizen of a different country is a big task and usually involves a substantial investment of time or money. Every country has a different view on new citizenship. Some actively welcome it, while others actively discourage it. Some want you to spend years living there learning the language and others will let you become a citizen with nothing more than a financial investment and a little paperwork. Whether you are looking for a way out of your home country or simply exploring your options, this guide will help you with your planning.
