

[Menage Amour: Erotic Menage a Quatre Romantic Suspense, M/F/M/M, bondage, spanking, flogging, HEA] After escaping certain death by her psychotic captor who is a cop gone bad, Lyndee Dwyer, an undercover agent, is discovered by Montana ranch owners Storm and Trey Goodall and their cousin Austin Lighthorse, the most gorgeous men she has ever seen. Suffering from amnesia and the idea of a disrespectable career, her body responds to them, not just sexually, but emotionally as well. None of the men believe she is who she thinks she is and will do everything they possibly can to prove her wrong. The three men introduce Lyndee to their menage lifestyle while helping her regain her memory. Once she remembers who she is, they and their men have an old-fashioned showdown with the cop and the Russian mob that want her dead. Can they protect her from the dangers that plague her along with convincing her to stay with them forever? Note: There is no sexual relationship or touching for titillation between or among the men. \*\* A Siren Erotic Romance
