

For centuries people have sought to see into the future. Turning to divination, cultures around the world developed techniques that tap into the insightful powers of the universe, to get a glimpse of what's ahead and better understand what lies deep within ourselves. Divination expert Jane Struthers explains the basics of the fourteen most widely practiced techniques, ranging from astrology and tarot to divining, dominoes, and reading tea leaves. Each technique can reveal personality traits, relationship dynamics, and possibilities for the future. Whether you are a newcomer to the world of divination or a seasoned expert, this lively, practical guide offers instructions, insights, and inspiration that will help you make the most of reading your future.
