

This book offers a representative sample of social work research in Finland, which is specifically aimed at an international audience. The book illustrates the development and application of the research methodological solutions and innovations of ten social work researchers. In addition, it includes a chapter analyzing the methodological tensions in current research. The 1990s has been a decade in which Finnish social work research has blossomed. The research has been searching for its identity in the age of uncertainty, and has constructed the conditions for its development. This book offers a representative sample of social work research in Finland, which is specifically aimed at an international audience. The book illustrates the development and application of the research, methodological solutions and innovations of ten social work researchers. In addition, it includes a chapter analyzing the methodological tensions in current research.
