

The publishing world has just received its bill of health, and the prognosis isn't pretty. Literary marauders are rising up from the hazardous material bins labeled Horror, Surrealism, and Science Fiction. Here the pen is not merely mightier than the sword; it is a plague heralding the apocalypse for convention, writing a dirge for complacency. The stories herein explore illness in all its forms: physical, mental, and societal. These sick stories are horrendous, hilarious, and stupefying dissections of creative minds on the scalpel's edge.
