

HERE'S WHAT GREAT BIBLE TEACHERS SAY ABOUT THIS BOOK: "In these pages, the Feasts of Israel span the centuries, coming to life not as ancient rituals but as a framework for all of redemptive story. Written to engage the teenage mind, but also instructive for the rest of us, we discover that the feasts of Israel are rich with prophecy and present day application. Proof of this book's™ relevance is that Donna has taught its contents to many teenagers who, for the first time, see the Old Testament not as an ancient narrative, but a life-changing account of God's™ intervention into human history. Read it, learn from it and recommend it to your friends." • DR. ERWIN LUTZER, SENIOR PASTOR, MOODY CHURCH "Some years ago my wife and I"both Jewish believers in the Messiah" wrote a book entitled the Fall Feasts of Israel to try and explain these three great biblical festivals to both Christians and Jewish people. It was our hope to help the reader understand the festival and discover the fulfillment of the festivals in Jesus the Messiah. Our book was geared towards adults but it was always my hope that someone would write a book relating these magnificent truths to young people. Donna Baer has now written this book and it is my pleasure to recommend The Bible's Feasts to you and especially to Christian teenagers. I also believe The Bible's Feasts will be helpful to young people who have not yet accepted Jesus as their Messiah and are seeking spiritual solutions to the everyday challenges they face." • DR.
