

Age Level: 9 - 12 Grade Level: 4th and up The frumpy princess is at it again! Join Princess Annabelle as she investigates reports of a ghost that only appears at midnight in the deepest level of her castle. Sure, it was a child that told her of the rumor, but that doesn't mean it doesn't exist, does it? Annabelle is the 12-year-old princess of the Yellow Kingdom, but don't expect to find her at typical princess things like tea parties or ballroom dances. Who can waste time with such boring activities when there's far too much adventure to be had? The Frumpy Princess and the Midnight Specter is a 4400 word exciting short story by Ellie Alexandre and Marcus Emerson. It's also available in Tales of the Frumpy Princess.
