

For many, flowers are just something pretty to look at. But how many people knew that once they were used as a form of communication? In fact, in Victorian England, each flower was associated with a specific emotion, and they were then used as a tool to send messages to loved ones, sometimes even to enemies. When you send a bouquet, to make the gift even more personalized and special, what better way than to ensure you send the type of flowers that portray how you feel. Of course we all know about red roses meaning love, but do you know what yellow roses mean? Or agapanthus? Not only are flowers a form of language; they are also assigned to birth months, astrological signs, and certain anniversaries. And how many women out there know how to choose flowers for a man? Yes, believe it or not, some men do like to receive flowers! But, they have different tastes to women, so it's useful to know exactly what to send. For those who stress about choosing the right flowers, or think that they know nothing at all about what to pick, this book will give you all the information you could possibly need to send that perfect emotive message. Here's a hint of what is included: Flowers for Love A Guy's Guide To Choosing Flowers Strength, grace and beauty Grief and sadness Magic and Mysticism Myths and Legends Fidelity and Faithfulness Anniversaries, Birth Flowers and Astrology. Getting Your FREE Bonus Read this book to the end and see BONUS: Your FREE Gift chapter after the introduction and conclusion.
