

Excerpt from The Spirit of Man: An Essay on Christian Philosophy This Essay is an attempt to suggest a few of the philosophical implications, theoretical and practical, which Christianity contains. I have ventured to make a humble contribution to a work which much wants doing. Of late years the historical claims of Christianity have been ably vindicated; the strength of its documentary evidence has been successfully displayed. But, still, everyone must necessarily approach the consideration of evidence with certain antecedent notions and prejudices. Certain facts he is ready to accept if sufficient testimony can be adduced; against others he inexorably sets his face, and is resolved to regard their so-called evidence as mere delusion which must be explained away.
