

In *Within Our Reach*, Rosalynn Carter and coauthors Susan K. Golant and Kathryn E. Cade render an insightful, unsparing assessment of the state of mental health. Mrs. Carter has been deeply invested in this issue since her husband's gubernatorial campaign when she saw firsthand the horrific, dehumanizing treatment of people with mental illnesses. Using stories from her 35 years of advocacy to springboard into a discussion of the larger issues at hand, Carter crafts an intimate and powerful account of a subject previously shrouded in stigma and shadow, surveying the dimensions of an issue that has affected us all. She describes a system that continues to fail those in need, even though recent scientific breakthroughs with mental illness have potential to help most people lead more normal lives. *Within Our Reach* is a seminal, searing, and ultimately optimistic look at how far we've come since Carter's days on the campaign trail and how far we have yet to go.

Como exercer sua cidadania (Portuguese Edition), Pragmatics of Human Communication: A Study of Interactional Patterns, Pathologies and Paradoxes, TRANSTORNOS DO ESPECTRO DO AUTISMO (Portuguese Edition), The Near Planets (Facts About), King George II and Queen Caroline, The Origins, Prevention and Treatment of Infant Crying and Sleeping Problems: An Evidence-Based Guide for Healthcare Professionals and the Families They Support, What Sea Animals Eat (Nature's Food Chains), Selen und Krebs als Thema der Gesundheitserziehung im naturwissenschaftlichen Unterricht (German Edition),
